TO: Council Business and Community Affairs Committee

THRU: Steve Lewis, City Manager

FROM: Terry Floyd, Development Coordinator TF

DATE: September 25, 2014

SUBJECT: October 2, 2014, BACA Meeting

At the October 2, 2014, Council Business and Community Affairs Committee (BACA) meeting, staff and representatives from Oklahoma Gas and Electric (OG&E) will be presenting information and discussing issues related to the Downtown electric grid with the Committee.

As you may recall, the topic of reviewing issues related to the Downtown Electric Grid was identified as a priority item for BACA discussion and consideration at the August 2014 City Council Retreat. Concerns have been raised over the years by businesses and property owners in Downtown regarding temporary power outages and power surges in the area. In an effort to receive more information regarding details about the Downtown electric grid and discuss issues related to outage and surge concerns, staff and representatives from OG&E will be providing information and discussion.

If you have any questions in advance of the meeting, please feel free to contact me.
