Subject: PRESS RELEASE 06/10/14 - Signal Upgrades at Robinson St and 24th Ave NE

PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: June 10, 2014

Contact: David Riesland, City Traffic Engineer, (405) 329-0528,
David.Riesland@NormanOK.gov

SIGNAL UPGRADES AT ROBINSON STREET AND 24TH AVENUE NE

City Traffic Control Division personnel will be upgrading the traffic signal installation on Robinson Street at the 24th Avenue NE intersection. The work to be accomplished includes the replacement of one signal head, replacement of the signal controller, and the addition of a traffic control sign. The change will add a protected-permissive flashing yellow arrow signal head for northbound to westbound 24th Avenue NE traffic. This work will take place on Wednesday, June 11, 2014, weather permitting. After 9:00 a.m. on June 11th, the intersection may be temporarily controlled by an all-way STOP sign. Full signal operation should be restored at the intersection by 12:00 p.m. on the same day. Any questions about the project can be directed to Mr. David Riesland, City Traffic Engineer, at 405-329-0528 or David.Riesland@NormanOK.gov.
