Railroad Quiet Zone Project
What's Next in 2015/2016?

- Project Savings to Capital Fund of up to $800,000
- No Quad Gates Required at Acres or Eufaula Streets
- Confirm impact of the Main Street / Gray Street Two-Way Conversion on the Railroad Quiet Zone – anticipate Quad Gates at each crossing ($1.6 Million)
- Construct raised medians at 12 RR Crossings
- Notify BNSF Railway Company and install signage at all crossings requiring silencing of train horns.
- BNSF Railway to comply within 21 days.
- Entire process to take 6 to 12 months from now to complete.
  - May-November 2016

Railroad Quiet Zone Project
Special Consideration

- Pedestrians
- Legacy Trail - Pedestrian Safety
- Trespassing problem
- Multiple pedestrian fatalities over the last ten years
- Land Use changes and more pedestrian traffic (e.g., relocation of Central Library)
- Add Fence in Downtown Area?

Railroad Quiet Zone
Council Direction?

- Extend project to the northern City limit?
  - Amend J. W Webb Contract, $12,250, December 8, 2015
  - Add 5 RR Crossings to Quiet Zone north of Robinson Street
- Submit NOI to Federal Railroad Administration, BNSF Railway Company, Amtrak, and ODOT – Dec 14, 2015?
- Add Fence Improvements for Pedestrians in Downtown?
- Implement RR Quiet Zone in Summer/Fall 2016?
