### **SH-9E from 36<sup>th</sup> Avenue SE to 72<sup>nd</sup> Avenue SE Project**

Beginning Monday, February 8, 2016, the Oklahoma Department of Transportation's contractor, Silver Star Construction, will temporarily close the south leg of the 60<sup>th</sup> Avenue SE/State Highway 9 East intersection. The contractor will be performing grading, drainage, and paving operations for the new intersection. All other legs of this intersection will remain open. Signs will be placed accordingly to direct the traveling public. Weather permitting, Silver Star Construction will finish the grading, drainage, and paving operations within four weeks. When completed, traffic will be allowed full use of the intersection.

Additional questions may be directed to Mr. Tim Miles, Capital Projects Engineer, City of Norman, Public Works Department, at 366-5454 or [tim.miles@normanok.gov](mailto:tim.miles@normanok.gov).
