## **PRESS RELEASE**

**City of Norman**  
**201 West Gray**  
**Norman, Oklahoma 73069**

For Immediate Release: February 5, 2016

Contact: John Clink, City Capital Projects Manager, 366-5424, [john.clink@normanok.gov](mailto:john.clink@normanok.gov)

### **I-35/SH-9E and Lindsey Street Interchange Reconstruction Project**

On Monday, February 8, Sherwood Construction under contract with ODOT will temporarily close 24<sup>th</sup> Avenue SW at Briggs Street, which is located south of Lindsey Street. The contractor will begin constructing the Lindsey Street storm water box culvert across 24<sup>th</sup> Avenue SW. Weather permitting, construction time is estimated to be four weeks from Monday, so 24<sup>th</sup> Avenue SW will be reopened to traffic by early March, 2016. The recommended detour for the temporary closure of 24<sup>th</sup> Avenue SW is McGee Street. Signs will be placed to direct the traveling public.

Additional questions may be directed to Mr. John Clink, Capital Projects Manager, City of Norman, Department of Public Works, at 366-5424 or [John.Clink@NormanOK.gov](mailto:John.Clink@NormanOK.gov). For additional information on the Lindsey Street Project, visit [www.lindseystreetnorman.com](http://www.lindseystreetnorman.com).
