Norman Community Dog Park Closed from Feb. 16 – 18, 2016

Weather permitting, the Dog Park at Griffin Community Park will be closed beginning at 7 a.m. on Tuesday, Feb. 16, 2016 to allow a contractor to make final improvements to the parking area at the park. Repairs to the damaged parts of lot were made earlier this year. The next phase of the project will entail applying an asphalt overlay and re-stripping the lot. Due to the nature of the materials involved, no access will be allowed into the dog park during the process. Barricades will be placed to prevent vehicles from entering the area under repair; and no foot traffic will be allowed while the lot improvements are being completed. The Dog Park will be re-opened by 5 p.m. on Thursday, Feb. 18, 2016.

For more information, contact James Briggs, Park Planner II, 366-5480 or james.briggs@normanok.gov.
