Subject: PRESS RELEASE 2/8/16 - Road Closure - Berry Rd from Melrose drive north to Main St

PRESS RELEASE

City of Norman
201 West Gray
Norman, Oklahoma 73069

For Immediate Release: February 12, 2016

Contact: Jim Speck, City Capital Projects Engineer, 217-7778, jim.speck@normanok.gov

Road Closure – Berry Road from Melrose Drive north to Main Street

On Monday morning, February 15, 2016, traffic on Berry Road will be closed from Melrose Drive north to Main Street, weather permitting. The northbound lane will be accessible for local traffic only. Traffic access to Berry from Ann Arbor will also be closed.

On Monday morning, February 15, 2016, Berry Road south of Melrose Drive will open to two-way traffic.

Warning and detour signs will be placed to assist the motoring public. As an alternative to Berry Road, drivers are urged to use Wylie Road or Flood Avenue between Main Street and Boyd Street.

Additional closures are expected to be issues in the coming week affecting the southern lane of Main Street at Berry Road and the southbound land of Berry north of Main Street.

The Berry Road Waterline Replacement project should be complete by May, 2016.

For questions, contact Jim Speck, Capital Projects Engineer, City of Norman Utilities Department, at 217-7778 or jim.speck@normanok.gov.
