Hello friends and neighbors of Ward 1!

For those with input or would like more information on upcoming AIM Norman projects such as the new arena, Andrew park plan as well as much more please see upcoming town halls happening throughout the city at Normanok.gov.

I am still working with city staff and my fellow council members to expand our bus route to the East side library while our central library is closed. We are hoping to make this happen soon and I will have an update by next council meeting.

I am putting together a list of public works projects here in our ward. If you know of any public infrastructure in need of work, from potholes to poor drainage to park equipment, please let me know so we can get it on the list.

Please enjoy this beautiful weather and please never hesitate to let me know what I can do for you and our city!
