KNOXBOX® 3200

- Only accessible by the Norman Fire Department
- Reduces forced entry property damage
- Minimizes risk of injury to responding personnel
- No power or batteries are needed
- Maintenance-free; no recurring costs

KNOX HOMEBOX®

- Allows first responders to enter the home quickly
- Makes re-securing property easier and faster
- Eliminates forced entry property damage
- Maintenance-free; no recurring costs
- Easy to mount

KNOX FDC AND STORZ LOCKS®

- Uncapped FDCs are vulnerable to vandalism and debris
- Ensures ready and reliable connections to fire sprinkler systems
- Eliminates costly services to back flush the pipes due to debris
- Helps protect the FDC swivel from theft, damage, and vandalism
